

Orleans County 4-H Fair Royalty

Another Year has passed, and we have again crowned Orleans County 4-H Fair Royalty, a tradition in Orleans county for many years past. The contest gives the 4-H youth of Orleans county a chance to compete for the titles of King, Queen, Prince and Princess for the following year. Throughout the year those crowned are responsible to attend board meetings, host events, and participate in parades as well as a variety of other activities representing Orleans County 4-H. Nomination of the candidates is based on those who are most active in all phases of fair. Participation and cooperation are big aspects of the contest. 4-Hers should present a good public image, personal appearance and be helpful to fair visitors.
